

MILFOIL PROJECT DONOR UPDATE

Updated 12-31-06

The names listed below have pledged and/or contributed to the Milfoil Project between March of 2004 and December of 2006. If there is any discrepancy, misspelling, omission or other oversight, call or email at once; and, I will immediately fix it. (Curt Stiles 359-7053 csstiles@adelphia.net)

We have completed our three year intensive effort to combat Eurasian watermilfoil. Final expenses were just under the projected \$ 1.5 million. Although we believe we have turned the clock back 10 years on Eurasian watermilfoil, there will be a continuing need to provide Rapid Response and a smaller dive team contingent each summer for the foreseeable future. Your continued financial support will be appreciated and necessary to keep this invasive plant in check.

Thank you for your support.

Pledges and cash gifts received as of December 31, 2004 \$1,457,416.

Pledges and cash gifts received as of December 31, 2005 \$1,621,799.

Pledges and cash gifts received as of December 31, 2006 \$1,793,654.
